

CRISTO PÉREZ SUÁREZ

Frontend Developer | React • Next.js • Node.js | Creating Modern, Minimalist Apps with Intuitive UX/UI

Las Palmas, Spain • cristobits0101@gmail.com

Summary

2 year of experience with JavaScript through internships and contributions to open-source projects. Completed an IBM Scrum course that strengthened my teamwork, communication and problem-solving skills. Committed to improving user experience and advancing inclusion through insights gained from a Google course.
